October Campout Notes

We had a great time at the "NASCAR" Blueberry Hill RV Resort in Bushnell for our October "Tailgating Weekend" campout. There were 15 member rigs, 3 guest rigs, and one drive-in. What a great turnout! We had Jean and Larry Daland with us for the first time; plus Ray and Marilyn Wisker and Carroll and Claudia Commons camping with us for the second month in a row.

A good many gathered on Thursday for Early Bird. Most of the rest came in on Friday when activities officially began with Wine and Cheese Happy Hour being hosted by the DeFina's in honor of their new rig. Following everyone's individual dinner plans, we met in the Rec Hall to try our hand at Football Trivia (matching colleges with their mascots). Then it was time to help stuff the bears for the children who attend Boggy Creek Camp. Dotty Weis and Janet Marks had 13 bears all stitched and ready for stuffing. Thanks to the many helping hands, we had them all done in less than an hour! Many thanks – and also to those who are making afghans!

Saturday morning's breakfast consisted of yummy breakfast casseroles and biscuits prepared by our hosts, Tricia & LJ Green and Mickey and Janet Marks. The meeting followed at 10. It was a busy afternoon and evening: NASCAR race on the big screen TV outside, football games inside and on Griffin's outside TV; Beanbag Baseball, won by the ladies!; light tailgating under the pavilion; and finally our Tailgating dinner in the Rec Hall, complete with wings and brats and all the accompaniments you can imagine! Some folks even had energy left over to play games in the Rec Hall or watch football on the big screen TV.

After sharing sweets Sunday morning, we bid adieu, with thanks to our hosts for a great weekend!

Cares and Concerns

Our sincere sympathies are extended to Tricia and LJ Green on the death of her mother. Rich Vander Bok is having back trouble again – hope it heals up quickly!
